Fun water play

Pools, spas and water play areas are meant to be fun and you can create an exciting pool deck for your family and friends to enjoy with the Trio Deck Jet. Each kit includes a system tool and three easily-interchangeable jets so you can showcase the spray pattern which suits your style and preference at the time.

Each of the three spray patterns – Water Jet, Fan Spray and Triple Spray – create their own special effect and add unique beauty to your pool.

Enhancing your pool area has never been so easy!

Trio Deck Jets are designed to blend seamlessly into your pool deck or water play area. They're available in three colour options and are flush-mounted for a quality finish.

Barely noticeable when they're turned off, Trio Deck Jets activate to transform your pool deck into a bank of fun water features!
